### Contact - Bill Warner

**Phone: 620-332-3748**

**EMail: [warneragair@valnet.net](mailto:warneragair@valnet.net)**

This airplane sprayed 49,700 acres in the 2011 spray season and has a fresh annual ready to spray that same amount for someone else in 2012. The reason for the sale is we are moving up to a AT 402 with a TRACE conversion. This airplane is a very slick load hauling aircraft!

8849 Total Time Air frame
